Horseback Riding 2008

Your child will learn the basics of Western Horseback riding. We have teamed up with a local stable to develop a comprehensive and structured program. Your child's hour and half lesson will include:

Horse Care and Grooming

How to mount a horse

Riding patterns

Use of equipment

Fundamentals of the horse /trainer relationship

Campers are grouped by age at the beginning of the summer and participate in an end of session trail ride.

**** Campers must provide their own horseback riding helmets ****
